Planning Board

**Chairman and Board members;**

**Please accept this letter as our request for extension for our project. I have been advised by the Building Inspectors office that the Planning Board now only meets once a month and our extension falls between new meeting dates.**

**In accordance with the planning board rules we are requesting a six month extension to our project until such time the Town can enhance the water district to handle the districts needs.**

**Because of the change in meeting dates, I am not sure that I will be able to attend the session. Please accept this request our behalf and advise accordingly.**

**Sincerely,**
