

Attention Builders

All applications submitted from September 29, 2010 until December 27, 2010 can be built by either the 2007 or 2010 version of the New York State Codes, Your choice. If you say nothing we will review as per the 2007 codes until December 27, 2010. The energy code requirements remain the 2007 version until December 27, 2010. All applications submitted after that date will comply with the 2010 New York State Codes. All open permits will be finished as per the code in use at the time of approval.
