Re: Request for the Release of the State's Preferential Acquisition Rights
Tax Map Section 13 Block 1 Lot 70, Goshen, Orange County, N.Y

Dear Mr. Hessinger:

This firm wrote to you on April 2, 2011, requesting a release of the referer ced
Preferential Acquisition Rights and you responded by letter dated April 11, 2011, that the
request would be processed within 120 days.

Since that time we have learned from your staff that the all interested agencies
have been duly notified; none has sought to exercise a preferential right of acquisition; and
that the time to do so has expired. Further, we have not received notice from the Department
of Transportation of its intent to exercise such right.

As of the date hereof, substantially more than 120 days has passed since all
applicable periods have expired within which an interested agency may act with respect to
a preferential right of acquisition.
