Limited Asbestos Inspection  
QuES&T Project #Q05-2554

Dear Mrs. Bernstein,

Attached is the report from the limited inspection for Asbestos-containing Materials (ACM) conducted throughout the interior and exterior of the above-referenced location by **Quality Environmental Solutions & Technologies, Inc. (QuES&T, Inc.)** The inspection included visual assessment and representative sampling for the detection of Asbestos-containing Materials. Limited demolition of building surfaces was performed as part of this survey.

The attached report summarizes the inspection protocol and inspection results for review by the Town of Goshen. **QuES&T, Inc.** believes this report accurately reflects the material condition existing in the functional spaces at the time of our inspection.

Should you wish to discuss this matter further or require additional information concerning this transmittal, feel free to contact us at (845) 298-6031. **QuES&T, Inc.** greatly appreciates the opportunity to assist the Town of Goshen in the environmental remediation services area.

Sincerely,

A handwritten signature in cursive script that reads "Paul".
